**Just A Fool** © R Salagan

I will always be just a fool for you,  
Never knowing why, hoping that you do,  
I will always be where you want me to,  
Never showing where, knowing that you do,

Lead.....

Bridge:  
Though it may not seem that my heart's true,  
I will always be in love with you, oh

I will always be just a fool for you,  
Never knowing why, hoping that you do,  
oo la la la.....
